

Silver Towne Mint Acquires Assets of Regency Mint Manufacturing

10/14/24

Strategic Tuck-In Acquisition Expected to Increase A-Mark's Total Minting Capacity to 100MM Ounces Annually Over the Long Term

EL SEGUNDO, Calif., Oct. 14, 2024 (GLOBE NEWSWIRE) -- **A-Mark Precious Metals, Inc.** (Nasdaq: **AMRK**) (**A-Mark**), a leading fully integrated precious metals platform, today announced that its wholly owned subsidiary Silver Towne Mint, operated through AM&ST Associates, LLC, has acquired substantially all of the assets of Regency Mint Manufacturing, LLC (Regency Mint), for \$2 million. Regency Mint, a 25-year old family-owned and operated business located in Orem, Utah, is an ISO 9001:2015 certified mint that sells primarily to distributors and retailers of precious metals.

With the acquisition, Silver Towne Mint acquired all of Regency Mint's minting equipment, which is expected to be moved shortly to the Silver Towne Mint's facility in Winchester, Indiana, as well as its entire customer list. Among the immediate benefits of the acquisition to Silver Towne Mint include additional capacity for proof-quality coins and rounds and breakable rounds, along with new extrusion equipment that will enable faster and more efficient production of fractional products.

The equipment from Regency Mint is expected to eventually increase Silver Towne Mint's capacity of struck products from 30 million to more than 50 million ounces per year. Combined with large-format bars, the total minting capacity in the long term should exceed 100 million ounces per year. Some of the acquired equipment will be placed in storage until more facility space is created to fully utilize the new machinery.

"This acquisition marks another significant step forward, enhancing our minting capacity and expanding our customer base," said A-Mark CEO Greg Roberts. "Regency Mint's state-of-the-art equipment will not only improve our production processes but also substantially increase our output capabilities. We're excited to welcome Regency Mint's customers and serve them through our newly enhanced operations, offering an even broader range of services and products."

Regency Mint CEO Josh Tanner added: "After 25 years of producing bullion and custom rounds as a family-owned and operated business, we are confident in our decision to entrust our long-standing relationships with over 2,000 customers into the care of A-Mark and Silver Towne Mint, who we believe demonstrate Regency Mint's same core values of integrity, exceptional customer service and product excellence. Our customers should benefit greatly from the expanded services and products available through A-Mark's vertically integrated business."
