Through its A-M Global Logistics subsidiary, A-Mark provides its customers with a range of complementary services, including managed storage options for precious metals as well as receiving, handling, inventorying, processing, packaging, and shipping of precious metals and coins on a secure basis. A-Mark's mint operations, which are conducted through its wholly owned subsidiary Silver Towne Mint, enable the company to offer customers a wide range of proprietary coin and bar offerings and, during periods of market volatility when the availability of silver bullion from sovereign mints is often product constrained, preferred product access.

A-Mark's Direct-to-Consumer segment operates as an omni-channel retailer of precious metals, providing access to a multitude of products through its wholly owned subsidiaries, JM Bullion and Goldline. JMB owns and operates numerous websites targeting specific niches within the precious metals retail market, including [JMBullion.com](#), [ProvidentMetals.com](#), [Silver.com](#), [CyberMetals.com](#), [GoldPrice.org](#), [SilverPrice.org](#), [BGASC.com](#), [BullionMax.com](#), and [Gold.com](#).
